1. Citizen Commendation – On May 20, 2021, at 7:14 pm, West Chester Police, along with Good Fellowship Ambulance responded to a report of an unresponsive person at the Orange Theory Fitness center located at 672 Downingtown Pike. While in route to this location, the report was upgraded to a cardiac arrest. Upon the arrival of Police and EMS personnel, the patient had regained consciousness.

During a workout at the fitness center, a male member became ill, lost consciousness, and became unresponsive. Krysta Lafferty, a trainer at Orange Theory, recognized the medical emergency. She had someone call 911 and began patient assessment. The patient had no pulse and was in cardiac arrest. Lafferty began life saving measures. She administered chest compressions and successfully utilized an automated external defibrillator (AED). Lafferty allowed for the AED to analyze and at its direction delivered a shock to the patient. The patient shortly thereafter regained consciousness. Medical personnel continued treatment and transported the patient to the hospital for further evaluation. This person is recovering and is expected to return to work this week.

The West Chester Police Department and East Bradford Township would like to commend Krysta for saving the life of a fellow human being. The Police Chief and a representative from the Township are planning to recognize Ms. Lafferty at Orange Theory in the near future. Ms. Cantlin will inform the Board of the date and time when the commendation will be given.
